Of course you have paid that income tax.

The snowflakes floated lazily down today as if they, too, were wearied of the winter's job.

The approval of every American went with President Wilson's message of support to Field Marshal Haig. The message echoed their own ideas.

Perhaps the musical world of the United States will not collapse even though Dr. Karl Muck is a forcibly detained guest of the United States government.

Secretary of War Baker and King George might have been excused for feeling a trifle nervous on the occasion of their first meeting in London on March 25, nervous because of events taking place almost without hearing and not because of the august presence of the other.

The warning for the city meeting on Wednesday evening contains an article to see if the city will vote to issue its notes or bonds "for the purpose of refunding its present indebtedness of \$25,000." In December, 1916, the city council borrowed \$25,000 "for the purpose of paying for enlarging and extending the water mains and improving the fire protection of the city." In anticipation of the issuance of water bonds which were authorized. Very little of this money was used for the purpose intended, the balance being expended for current expenses in 1917. Bonding for current expenses is a new proposition in Barre's municipal affairs, and if put into operation would mean the shifting of the burden of taxation from one administration to another. As running expenses are not a permanent improvement, or a matter of administration is any more free from than another, there does not seem to be any good reason why the settlement of last year's accounts should be put off to a later year when times may not be as good as they are this.

WRITTEN ON FACES-- RHEUMATISM

You Can't Hide Rheumatism

It runs up into the nerves, causes the expression in the face, makes you look and feel sicker than you look, you rheumatism understand. But there isn't as much of it as there used to be. "Neutrone Prescription 99" has educated us to freedom of all rheumatism and its many ailments.

"Neutrone Prescription 99" loosens those painful, swollen joints and muscles. You can distinctly feel all trouble leaving you and comfort and happiness creeping in. There is absolutely nothing else known like "Neutrone Prescription 99" for all rheumatism.

You can prove it, get a 50c or \$1.00 bottle of your druggist to-day.

Scoffers and Doubters

Why Let Prejudice Bind You to a Life of Rheumatic Torture?

Be fair to yourself, you sufferer from rheumatism, no matter what form. Go to E. A. Drown & Co. or any good druggist any get a package of Rheuma, the guaranteed prescription. Use the entire bottle, and if you don't think it has given you quick and sure relief, say so, and you can have your money back.

Isn't that a fair offer? Can you see any deceit or red tape about it? What chance do you take? Absolutely none.

Then get a bottle of Rheuma to-day. It's a reputable physician's prescription, altogether different from remedies usually prescribed, free from narcotics, and perfectly harmless. Rheuma acts on the kidneys and helps to force the uric acid from the swollen joints and other lodging places. It places you in a day; it makes you hopeful and happy in a week. It has released from bondage rheumatic sufferers who thought nothing would give relief. It should do as much for you—it seldom fails.

Don't miss this money-back offer. A large bottle, sufficient for two weeks' treatment, is inexpensive.—Adv.

WILLIAMSTOWN

With the exception of the high school, pupils of the town are enjoying the vacation between the winter and spring terms. Many of the high school boys are out for a time, working at sugaring or some other sort of farm work.

Richard Martin is home from Brigham academy, Bakersfield, Francis Irons did not come but is to work near the school during vacation.

The commanding officer of the balloon training school at Omaha, Neb., is Colonel Henry B. Hersey, whose boyhood home was the farm now occupied by Martin C. Erskine. There are a goodly number of people in town who will remember the applause that greeted him as a prize speaker from old district No. 2, when he declaimed "The Deathbed of Benedict Arnold" in the town hall many years ago, his teacher that winter being, we believe, the late Judge C. H. Beckett of New York. Later he attended the normal school at Randolph, but left that school to enter Norwich university, from which he was graduated in 1885. For many years in the signal service of the U. S.; he was in New Mexico at the breaking out of the Spanish war and joined Roosevelt's rough riders. He has for some time past been interested in aviation and balloon work, which he has so thoroughly mastered as to hold with marked ability the important position spoken above.

The Home Study club will meet with Mrs. Laura L. Ainsworth next Thursday afternoon, March 28. Topic, "The Y. M. C. A. in War," in charge of Miss Mary Waterman. Seasonable quotations.

Died March 14, 1918, at the home of his daughter, Mrs. Burt W. Clogston of Bradford, Denison Brown, for the past 30 years a resident of Northfield, and before that a resident of Williamstown from his birth, on the farm in the western part of the town still called the "Den Brown" farm, though for many years it has been owned by Fred Blaine, Rural Carrier Robert E. Clogston of route No. 1, is a grandson of Mr. Brown and the only relative now living in town, with the exception of Mrs. Winnifred Jeffords Waldo, wife of Raymond Waldo of California. Mr. Waldo being another grandson.

Mr. and Mrs. Dan Daly, who have been visiting at George W. Savery's, returned last week to their home in West Lebanon, N. H.

Eugene L. Whitney and R. E. Clogston have cut, saved by hand and split and piled over fifty run of wood this winter. This has been done in spare time, too, as one of the men works at stonecutting in Barre and the other is a carrier of Uncle Sam's mail.

Miss Gladys Martin is home for a five weeks' vacation from her school in the town of Warren.

Mrs. Clyde Morse and Mrs. Lucy Whitney have pieced several quilts for the Red Cross and are willing to do more in this line. Any who have either light or dark pieces suitable for this work that they are willing to contribute may leave them with Mrs. Morse at the E. A. Drown store and the favor will be appreciated.

FOOD TALK TABOO.

London Clubs are Putting Up Signs to Stop It.

"Gets-It"—2 Drops—
 Then to the Dance!

"Goodnight to Corn Pains—Corns Peel Off with 'Gets-It'."

"Say, girls, you can laugh at tight shoes, or damp, corn-pulling weather, but bumpy corns, callouses on the soles of your feet, corns between the toes, hard and soft corns, if you will just touch the corn or callous with a few drops of 'Gets-It'! What a blessed relief it gives to corn pains! You won't limp any more! You can enjoy the dance every minute. Then to see how that corn or callous will come right off completely, like a banana peel and without the least pain, is just wonderful. 'Gets-It' is the biggest seller among corn removers in the world to-day, simply because it is so wonderfully simple and always works. Be sure you get 'Gets-It'."

EAST CALAIS

The ladies of the East Calais circle, A. R. C., met at the Red Cross rooms Thursday and made little girls' dresses and night dresses to go in the Belgian relief box. The ladies hope next Thursday for a larger attendance, as they wish to do more of this work, also to pack the box. Remember 55 pounds is quite a little for a small society to raise and each one should consider it their duty to aid a little. Sheets, pillow cases, blankets, quilts or bed ticks are very much desired.

C. E. Bliss was a business visitor in Plainfield Friday.

B. H. Bancroft has returned after being detained at his home in North Calais by illness several months.

Rome Van Orman was a visitor in the village on Thursday.

The Red Cross poverty dance on Monday evening was a success. The attendance was large and a good time was enjoyed. An orchestra of six pieces was in attendance, each dressed as a gypsy.

Richard W. Taylor of Worcester is visiting his cousin, John W. Bancroft, for a few days.

The children of the primary room gave a very pleasing entertainment Wednesday. A program consisting of folk dances, recitations and a play, "The Witches," was given by the little folks. They also displayed their Red Cross work, which showed the little hands had not been idle, but all busy for a good cause. About \$5 was taken in, to be used to buy a service flag. Much credit is due the little folks for the Red Cross work they have done, the way each did their part in the entertainment and also in raising the money for a service flag. A flag raising will be held the first of the spring term.

The Calais and North Montpelier branch, A. R. C., is asked for 550 pounds of clothing as its quota, for the Belgian relief. With all members who feel they can donate a few articles of clothing please get them to the Red Cross rooms at Guy Bancroft's or leave with Mrs. E. C. Hillis at North Montpelier as soon as Thursday, March 28, as the box must leave East Calais Saturday, March 30. Miss Grace Bliss has returned from Newbury, where she has been spending the winter.

Mr. and Mrs. John Emery have moved into one of O. W. Guernsey's tenements.

A. E. Holt has moved his family to Plainfield.

Perley Haskett of Princeton, N. J., a member of the United States aviation corps, recently visited at C. A. Wing's.

Mrs. Pitkin and Mrs. Hillis of North Montpelier were in town Thursday in the interest of the Red Cross.

A. L. Persons and daughter, Eva, and W. C. Guernsey were home over Sunday from their work in North Montpelier.

Miss Grace Bliss returned home Friday from Newbury, where she has been spending the winter.

D. A. Cheever has moved from the Bancroft house into A. E. Holt's house, which he recently vacated.

PLAINFIELD

The ladies' plans have changed and the knitting party tonight will be held at the home of Mrs. George Vincent. All are invited. Vocal solos are included in the program.

There will be a promenade and dance at the S. and D. hall Friday evening, March 29. Dancing from 8 until 1.—adv.

Protection

Any man who carries life insurance in a good old-line company knows that he must pay the company an adequate compensation for carrying his risk.

He calls this "protection" and pays his quarterly, semi-annual or annual payments without a whimper.

DID YOU EVER THINK OF THE PROTECTION WHICH YOU ARE AFFORDED BY THAT FAR-FLUNG BATTLE LINE IN FRANCE, PROTECTION FROM WHAT MIGHT BE A THOUSAND TIMES WORSE THAN DEATH?

Is there any money value that we can put upon this protection?

The good old-line insurance company stands ready to pay you a money consideration in case of your decease or impaired earning power, but the boys in France are the insurance company that protects and guarantees what money can never buy. They are not only protecting your very life, but they are safeguarding the principles of free government, free institutions and insuring your right to life, liberty and the pursuit of happiness.

Now are you paying anything for this protection? Just ask yourself thoughtfully this one question. You can hear your conscience echo, "No."

You may show your appreciation of this protection and pay your premiums on this insurance here in the form of War Savings Stamps or a savings account.

**To Quickly Remove
Ugly Hairs from Face**

(Beauty Notes)

Beauty-destroying hairs are soon banished from the skin with the aid of a delicate paste, made by mixing some water with a little plain powdered delatone. This is spread upon the hairy surface for two or three minutes, then rubbed off and the skin washed to remove the remaining delatone. This simple treatment banishes every trace of hair and leaves the skin without a blemish. Caution should be used to be certain that it is delatone you buy.—Adv.
